

# LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU

## COASTLINE DRIVE 12-INCH WATER LINE IMPROVEMENT

### Scope:

Replace approximately 2,000 linear feet of aging water line with a new 12-inch diameter steel water line.

### Location:

Unincorporated Community of Malibu — Along Coastline Drive between Pacific Coast Highway and Castlerock Road

### Benefits:

Reduce the risk of leaks and improve water supply reliability to customers served by this water line.

### Status:

Design phase

### Start construction:

Mid 2017
